

## Or Eivgi - Curriculum Vitae

**Personal details**

e-mail: or.eivgi@biu.ac.il

**Current affiliation**

2025 - Senior Lecturer, Department of Chemistry, Bar-Ilan University, Ramat Gan, Israel

**Post-doctoral research**

2023–2025 Postdoctoral Researcher Prof. Eva Blasco lab Universität Heidelberg Heidelberg, Germany

2021–2023 Postdoctoral Researcher (Fulbright Fellow) Prof. Suzanne A. Blum's research group University of California, Irvine, United States

2020–2021 Short-term Postdoctoral Researcher Prof. N. Gabriel Lemcoff's research group Ben-Gurion University of the Negev, Beer-Sheva, Israel

**Undergraduate and graduate studies**

2015–2020 Ph.D. Department of Chemistry, Ben-Gurion University of the Negev, under the supervision of Prof. N. Gabriel Lemcoff (Photoinduced Olefin Metathesis and Sunscreen Assisted Selective Organic Photochemical Transformations)

2013–2015 M.Sc. Department of Chemistry, Ben-Gurion University of the Negev (*cum laude*), under the supervision of Prof. N. Gabriel Lemcoff (Expanded Research proposal topic - "Development of Sunscreen Assisted Selective Photolabile Protecting Groups Removal Protocol")

2010–2013 B.Sc. Department of Chemistry, Ben-Gurion University of the Negev (*magna cum laude*, Average: 90.09)

**Fellowships and funds:**

2015–2019 – Negev-Faran (Kreitman) Fellowship for excellent Ph.D. Students

2019–2020 – Kreitman Short-term postdoctoral fellowship

2021–2022 – Fulbright Postdoctoral Fellowship for research in the US

2024–2025 – Postdoc take-off grant (Funding for research assistant)

**Prizes and awards:**Graduate studies:

2016 – Dean's prize for Excellence (M.Sc.)

2017 – ADAMA-Makhteshim excellent student prize (Ph.D.)

2018 – Dean's prize for excellence (Ph. D.)

2018 – Participation in the Global Young Scientist Summit in Singapore (GYSS 2019)

2019 – Ruth and Milton Orchain prize for excellent Ph.D student

2019 – Israel Chemical Society Prize for excellent Ph.D. Student

2020 – Selection for Lindau Nobel Laureate meetings (postponed to June 2022 due to Covid-19)

Undergraduate studies:

2012 – Certificate of appreciation for undergraduate academic achievements

2013 – ADAMA-Makhteshim excellent student prize

2014 – Dean's prize for excellence

2014 – Zingerman Foundation prize

***Professional training***

2017 – LSU-MALS training, WYATT technology, Dernbach, Germany – Light scattering workshop.

2018 – Visiting Scholar at Prof. Steven C. Zimmerman laboratory at University of Illinois at Urbana-Champaign
